

**/ Summer school**

From 15 to 23 July 2017, a ten-day interfaculty summer school will take place in Italy in a Renaissance palace by Giacomo Barozzi. The workshop aims to connect architectural heritage with 21st century manufacturing processes, and invites international students of architecture, design, and engineering to take part.

**/ Registration fee**

Registration fee €500 includes accommodation with breakfast at bio-hostel Casale della Mora in Vignola, local transportation, workshop teachers, materials, guest critiques and final celebration event. Registration fee does not include travel expenses, meals and extra.

**/ Application form**

Personal statement of interest with a list of the first three favorite workshop topics together with a brief description of yourself must be sent by Friday, 30 June to [info@vignolaarchivesofarchitecture.it](mailto:info@vignolaarchivesofarchitecture.it)
